

## HEY!

I'm Matt - the one of the Glenmore Park SRE teachers!

I'm writing to let you know about changes to the SRE program at Glenmore Park.

### SRE @ Glenmore Park High School

In previous years, we have run a series of lessons in class groupings across Year 7, 8 & 9.

In 2023, we are moving to a term-by-term seminar model. All students who have opted-in to SRE while all other students will participate in meaningful activities organised by the school.

We'd love to be able to teach SRE weekly like in Primary School, but unfortunately, we're unable to provide this service in 2023. We're excited for our first one just before Easter on Monday 2<sup>nd</sup> April!

### What other Christian youth services are available for young people?

High School SRE has always been a great connection point for young people & local youth groups.

For those who already attend a church in the area, we'd encourage you to get involved in their Youth Program and get in touch with the Youth Leaders!

*For those who don't attend a local church, I'd personally like to invite your young person to INY Friday Nights (every Friday Night from 7pm – 9pm at Imagine Nations Church).*

Our Friday Nights are a chance for young people to make positive relationships with people outside of their normal school social circle, while also having the safety and support of young adult mentors to guide them through ups and downs.

We're a Christian Youth Group that aims to apply the Christian faith to the realities of the teenage years in a safe environment.

If this sounds like something you or your young person would like to check out,
