

Year 11 School and Subject Fees 2024

Dear Parent/Carer,

School fees are used to supply many of the consumables used by students, such as photocopying, computer printing, materials used in class and materials used for the study of practical subjects. Fees can be paid by cash, credit card, EFTPOS or cheque at school.

Parents/Carers of Year 11 are able to make online payments for School Fees, via a secure payment page hosted by Westpac. Payments can be made using either Visa, MasterCard, Credit or Debit Card. The secure payment page can be accessed via our school website www.glenmorepk-h.schools.nsw.edu.au/

Select the tab *\$Make a Payment* and follow the prompts that are marked with a “*Green**”.

You must enter:

- Student’s Name
- Year
- Date of Birth
- Description of Payment e.g.: “Student Fees”

After payment is made, a receipt is automatically generated and a copy will be emailed to your nominated email account.

Please be aware that all elective fees/subject fees (e.g., Technology, Visual Arts) need to be paid before students can attend any extra-curricular activities, such as, excursions and camps during their time at school. If there are any extenuating circumstances, please contact the Principal to arrange for a payment plan.

Yours Sincerely,

Ms H Caws
Relieving Principal
