GLENMORE PARK HIGH SCHOOL

Stage 6 Year 11 + 12 UNSW Physics Excursion

Dear Parents/Caregivers,

Students are given the option to attend an excursion to UNSW to partake in experiments related to the stage 6 Physics Syllabus. This will greatly strengthen understanding of the course content as well as assist in their upcoming assessment tasks.

Details:

Date: Friday 27th May 2022

Location: UNSW

Time: Students will meet at Penrith train station at 6:40am.

Cost: \$45.

Staff accompanying students: Mr Har, Mr Smyth, and venue staff

Mode of Transport: Train

Departure from Penrith train station: 7:06am

Return to Penrith train station: 3:05pm

What to wear/bring: Students must wear full school uniform and bring their workbook and writing equipment. Students are to bring recess and lunch. Enclosed shoes are to be worn. Canteen facilities will not be available.

Please ensure students have approximately **\$7.50 - \$8.00** on their opal cards to pay the public transport fare.

Please return the signed permission note and money to the front office by **18th May 2022**. Students are to present their receipt to their Physics teacher.

Kindest Regards,

Mr Har
Science Classroom Teacher

Ms Lisette Gorick
Principal

----Return the signed permission note to the front office with money no later than --18th May 2022-----

I give permission for my child _____ to participate in the above excursion. I understand that they will be supervised by staff to and from Glenmore Park High School. I understand that my child will return to Penrith train station by 3:05pm but this is dependent on track conditions and may need to organise alternate transport for my child if they need to catch a bus home.

Place a tick indicating your Physics Teacher: Mr Har
